CHANEL HOPPING

Dear *Mayfair*,

After a painful divorce five years ago – following 21 years of marriage – I'm in no rush to get myself into another serious relationship. There have been a few women I've considered making a move on (certainly in the last year, or so) but they didn't amount to anything beyond flirtation, leaving me somewhat sexually frustrated. A man has needs, after all!

I stumbled onto the idea of swinging completely by accident, when hopelessly trawling online dating sites. I had never considered having such impersonal relations before – using the services

of a prostitute was not something that had ever crossed my mind, for example – no matter how horny I felt. But then I accidentally clicked on a pop-up link and was transferred to an exclusive swinging club. I say swinging but it wasn't really: as I read the FAQs I realised that it didn't involve couples at all, rather a number of 'models' hired to pleasure a limited number of paying guests. It should have felt sleazy, but because it seemed so professional I decided to sign up for the next event. Well why the hell not? I'm single, extremely horny and the notion of totally no-strings sex really appealed.

And that's how I found myself a week later arriving at a sex club, unsure what to expect. A classy blonde greeted me at the unmarked door and, as she led me into the club, chatting away, she soothed my nerves completely.

I was surprised how relaxed the place was inside, with its plush sofas and modern decor. Two men were having a drink at the bar while another was enjoying the charms of a scantily clad beauty. To the sides of the room there were booths, most empty but a couple of them occupied: my eye was caught by a

THE REE-L DEAL!

Dear *Mayfair*,

As soon as I saw the cover of your latest issue I knew I was in for a treat, and I wasn't disappointed. Ree Petra has got to be the sexiest female these islands have produced for donkey's years! Even before I got to the picture spread I was in thrall to her curvy bum and fulsome boobs, but when she displayed the real goodies – that beautifully shaven pussy of hers – I was totally smitten! What an amazing beauty – and I loved the curvy picture of her delectable arse on page 49 – hats off to whoever thought of that.

All in all I'm one very satisfied reader – although you might have given me a bit of an opportunity to recover before the pictures of Dani Maye, who's been one of my faves for the last couple of years.

chunky brunette with massive tits riding a skinny black guy, his hands crawling over her skin as she bounced up and down. I grinned to myself. If I could have half the action he was getting, then it would definitely be worth the entrance fee.

I ordered a drink and settled down on one of the leather couches and almost immediately a girl came and joined me. She was a pretty redhead with decent sized tits that spilled out of her barely-there lacy dress. It wasn't long before Chanel (her real name? I think not!) was nibbling my ear and whispering how horny she was, making my swelling dick strain against the fabric of my trousers. She giggled and moved her hand to my crotch, tracing the outline of my hard-on with her fingers before unzipping my fly and unleashing my fat cock. Without

missing a beat she was on it, her warm hand feeding my member into her mouth, her lips tight around my girth. I put one hand on the back of head, noting the way she rhythmically bobbed it up and down as she sucked away, and the other I used to grope her lace-covered backside, which was sticking up in the air as she knelt on the seat next to me.

Leaning my head back against the cool leather, I savoured the fantastic blow-job Chanel was giving me as my fingers wandered down to her knicker-clad fanny. My bliss was temporarily interrupted when a bloke of about 30ish appeared. "Hey there! I don't suppose you'd let me join in the fun, would you?"

Before I had even opened my mouth, he perched on the other side of Chanel, his hands already heading towards

ZARA-RA BOOM-DIA!

Dear *Mayfair*,

As a *Mayfair* reader of long standing, I've loved every set of pictures you've printed of the girl who's now called Zara – but I have to say your latest set of her, in which she's getting extremely intimate with Bexie Williams, has got to be the pick of the crop! As a red-blooded male I can say with total conviction that there's nothing sexier than watching two beautiful women enjoying the most intimate pleasures

of each other's body, and the way these two are clearly enamoured of each other's delectable pussy is evident for all to see. The final spread, in which Bexie and Zara are within a hair's breath of each other's sex is a truly exquisite sight, and one I'll treasure for many moons to come. Please pass on my fondest regards to these incredibly sexy ladies!

her peachy bum. Sitting up to look at the newcomer but still wanking my prick, she smiled and nodded, "The more the merrier – if that's alright with you, sweetie?" she asked me. I agreed, less begrudgingly than perhaps I felt inwardly. However, having never been involved in a threesome, the thought did excite me.

"SHE STRADDLED MY LEGS AND LOWERED HER TIGHT PUSSY DOWN ONTO MY THROBBING MEAT IN REVERSE COWGIRL..."

He grinned, shuffling in closer and leaning in to kiss Chanel passionately, while she continued to play with my dick. Then decisively, she knelt on the floor in front of us and began swallowing each of our rigid pricks in turn, making loud slurping noises, which I found a huge turn-on. Pulling her dress up to her waist and the straps down to allow her plump breasts to escape, she encouraged us to touch her. We both dived in, groping her firm orbs and round buttocks. I figured I'd pick up where I'd left off, and after paying due respect to her shapely arse cheeks, I slipped my fingers under the gusset of her panties. She was already wet and squirmed under my touch, parting her legs slightly to allow easier access. I dipped my digits inside her juicy hole and finger-fucked her, slowly at first

but upping the tempo until her hips bucked against my hand.

She was panting hard when she eventually pulled away and announced that she was ready to be screwed. After rolling a condom onto each of our cocks (it's a club rule), she straddled my legs and lowered her tight pussy down onto my throbbing meat in reverse cowgirl. It was sheer bliss! It had been over five years since I'd been inside a woman and it felt utterly divine! It didn't bother me one bit that she was also sucking on matey's prick while fucking mine; I just closed my eyes and enjoyed the moment!

After a while she began to slow down, obviously tiring, so I held her from underneath and lifted her up then slammed her back down, my balls slapping against her twat. Unbeknownst to me, our friend couldn't hold on any longer and came in Chanel's mouth, before dropping out of the fun and wanking on the sidelines.

Changing positions, she got down on all fours and ordered me to "spear her from behind". What a horny slut she was! I obeyed and thrust my cock back into her snatch, grabbing onto her swinging tits from underneath as I banged into her as hard as I could. I thought her groans and squeals were put on until her whole body began to shake and she orgasmed loudly. The squeezing of her vagina muscles as she climaxed was too much for me and I followed suit, grunting as I came inside her (and my condom).

I've already signed up for next month's event at the club and have my fingers crossed for a repeat performance – although not necessarily with the same girl! If it goes well I might just cough up for the club's gold membership and see what that gets me...

Bradley, Nottingham.

Rather like Ree in last month's issue, Lucy Zara here is something of a British legend who for some reason hasn't appeared in *Mayfair* anything like as often as she ought to have done. Well, we're here with promising to put that right! It's not too often we're totally blown away by models who were born in the same decade as the Ed (mind you, you'd never believe it to look at them both!), but Lucy here's definitely got what it takes – in spades!

Let's put our hands together (or somewhere, at least) in appreciation for *Mayfair* newbie Nerissa, who came in for a shoot the other week and bowled us all over with her raven locks, gorgeous bod and piercing green eyes! But her accent and her looks had us a bit confused – where on Earth did they manage to produce such a stunner?

“Ah, my heritage is Italian,” she let on, “which in case you hadn't guessed, means I'm full of fiery passions!”

Now we've met you, Nerissa, so are we!

SUPER... MAC!

Fancy a spot of G&T with your McLaren Supercar? Well you're in luck this month, then!

The McLaren 570GT joins the 570S Coupé and 540C Coupé as the third model in the recently announced McLaren Sports Series family, and we think it's the best one yet. We relayed this information to our neighbours over at the McLaren Technology Centre, just down the road from Paul Raymond Towers, but they made it all too clear that we would not be getting behind the wheel of the 570GT

pair of eight-way electrically adjustable sports seats are upholstered in leather as standard. The control interfaces for the air conditioning, telephony, navigation and audio systems are managed through the centrally-mounted touchscreen, while vehicle setup is configurable via the digital instrument cluster. With the increased glass area of the 570GT, cabin temperatures are regulated and maintained by an enhanced dual-zone

any time soon! They did however tell us that the 570GT will be their most practical model ever launched by McLaren Automotive, and it will be targeted towards day-to-day use, long distance comfort and for going on naughty weekend breaks to the countryside with your mistress – or someone else's.

On the outside the clean lines give the 570GT a sleek and refined silhouette, and mark out the second of three bodystyles, which will eventually complete the McLaren Sports Series. Stand out features include a fixed glass Panoramic Roof that provides a bright, open cabin running through to the large rear glass hatch creating the most luxurious and relaxing McLaren driving environment. Jumping in and out of the 570GT is optimised through a lower and narrower sill, while the signature dihedral doors open with a more upward arc. Within the spacious and ergonomically-optimised cabin, a

air conditioning system. The system allows fully automatic and independent settings for passenger and driver. The front luggage area remains unchanged from the Coupé, providing 150 litres of stowage, while a further 220 litres of space is available behind the seats on the leather-lined Touring Deck. This additional space is accessed via the side opening Glass Hatch bringing the total storage space for the 570GT to 370 litres. Refinement and day-to-day usability are further enhanced through the latest tyre technology from McLaren Automotive technical partner, Pirelli. The 570GT features specially developed Pirelli P Zero™ tyres. The unique characteristic of the tyre is the innovative Pirelli Noise Cancelling System (PNCS); a new technology that reduces road noise from the grooves within the tyre, designed to absorb vibrations and reduce transmission into the cabin. Lightweight noise absorbing and damping materials

are also used to line the Touring Deck and bulkhead, further enhancing the level of refinement for passengers. However, McLaren don't want the cabin to be too quiet, so they've installed an eight speaker McLaren Audio Plus system, which is fitted as standard. This system includes two 100mm mid/bass drive units adding to the clarity and depth of the sound, and two 25mm tweeters in the rear of the cabin which balance the sound to ensure the occupants have a greater sense of immersion. A 12-speaker Bowers & Wilkins system is also available

DESIGN AND ENGINEERING COMBINE TO PRODUCE A CAR OF BREATHTAKING PERFORMANCE.

re-tuned to the different interior acoustics of the 570GT. The system comprises five 25mm aluminium Nautilus tweeters, five 100mm Kevlar® mid-range drive units and two 200mm carbon fibre & Rohacell bass subwoofers.

The 570GT features a unique aerodynamic package, including an extended fixed rear spoiler – 10mm taller than that fitted to the Coupé models – designed to offer the same levels of aerodynamic performance as the distinctive flying buttresses of the 570S Coupé. The front end design of the 570GT is shared with that of the 570S Coupé, with the front bumper featuring a pronounced point which generates the centre of pressure, piercing the air to reduce drag and forming four quadrants. This aerodynamic feature is designed to separate the airflow above and below the bodywork, and along each flank. As seen on the other models in the Sports Series, the bonnet features strong crease lines which optimise airflow over the front fenders and into the side air intakes. Aero Blades below the front bumper are angled to produce an area of high pressure ahead of the low temperature radiators.

The design includes a 'floating tendon', designed to channel air into the side air intake. Body-coloured door inserts, unique to the 570GT, create a more understated side profile and further differentiate the 570GT from the Coupé models.

Under the skin, the 570GT has been developed with a unique dynamic setup to reflect it's positioning, while retaining the supercar levels of engagement experienced on the 570S Coupé. Pure McLaren design and engineering combine to produce a car with breathtaking performance yet increased levels of luxury and refinement. Sharing the newly developed suspension system with the other models in the Sports Series, the

570GT emphasises long distance comfort through further fine-tuning to the system which includes a reduction in spring rate stiffness of 15 percent at the front and 10 percent at the rear. Independent adaptive dampers can be dynamically adjusted through Normal, Sport and Track settings, and are coupled to front and rear anti-roll bars. The overall set up of the 570GT has been calibrated to enhance road and motorway driving, and aid ride quality over poor road surfaces. The electro-hydraulic steering system is retained from the Coupé models but with a reduced ratio and has been specifically designed to smooth out driver inputs at high cruising speed.

McLaren have fitted the 570GT is with their very own 3.8-litre twin turbo V8 M838TE engine, which debuted in the 570S Coupé. Power remains at 570PS (562bhp) and is delivered to the rear wheels via a seven-speed seamless-shift transmission with adjustment through Normal, Sport and Track settings to produce one of the most rewarding and engaging driving experiences in the sports car class. The settings include bespoke gear change calibrations with comfort (Normal), Cylinder Cut (Sport) and Inertia Push (Track) technologies all available. As with all McLaren models since the introduction of the MP4-1 Formula 1™ car in 1981, the 570GT uses a carbon fibre chassis. Weighing just 75kg, the lightweight yet extremely stiff chassis contributes to a dry weight of 1,350kg. This equates to 422PS per tonne, providing astonishing performance more commonly seen in the supercar segment: 0-62 mph in 3.4 seconds, 0-124 mph in 9.8 seconds, with a top speed of 204 mph. The 570GT is also fitted with a lightweight composite braking system, further reducing the cars kerbside weight. Set up with a greater focus on road driving, the system includes iron discs with four-piston callipers front and rear. In front of these sit a set of unique 15-spoke GT Design cast alloy wheels – 19-inch front, 20 inch rear.

It all sounds pretty good really. Maybe if we sent this month's cover girl down to McLaren's facility in Woking we might be able to get our hands on this beauty a little bit sooner!

Mmm – luscious Valentina Nappi represents the second half of what appears to be a double bill of girls with Italian blood in their veins. I tell you what – if it weren't for the fact that I'm hopelessly addicted to pork scratchings and eccles cakes I'd be seriously thinking about emigrating on the strength of these two lovelies. Then again, as we know only too well, British babes are more than capable of holding their own. I just wish they'd hold mine as well now and then.

Jeff walks into a bar and sees his friend Paul slumped over the bar. He walks over and asks Paul what's wrong.

"Well," replies Paul, "you know that beautiful girl at work that I wanted to ask out, but I got an erection every time I saw

an erection again. So I got some duct tape and taped my penis to my leg, so if I did, it wouldn't show."

"Sensible" says Jeff.

"So I get to her door," says Paul, "and I rang her doorbell. She answered it in the sheerest, tiniest dress you ever saw."

"And what happened then?"

(Paul slumps back over the bar again.)

"I kicked her in the face."

Claire was becoming frustrated with her husband's insistence that they always have sex in the dark. Hoping to rid him of his inhibitions, during a passionate evening she flipped on her reading lamp and was shocked to find a cucumber in his hand.

"Is this what you have been using on me for the past 8 years?" she exclaimed.

"Honey, let me explain...." he pleaded.

"You sneaky swine!" she screamed. "You impotent son of

a bitch!"

"Speaking of sneaky!" he interjected, "Perhaps you'd care to explain our two children!"

M

An old lady went to visit her dentist. When it was her turn, she sat in the chair,

lowered her underpants, and raised her legs. The dentist said, "Excuse me, but I'm not a gynecologist." "I know," said the old lady. "I want you to take my husband's teeth out."

M

A blonde is watching the news with her husband when the newscaster says, "Six Brazilian men die in a skydiving accident." The blonde starts crying to her husband, sobbing, "That's horrible!"

Confused, he replies, "Yes Dear, it is sad, but they were skydiving, and there is always that risk involved."

After a few minutes, the blonde, still sobbing, says, "How many is a Brazilian?"

A guy hears a knock on his door. He opens the door, sees a snail, then picks it up and chucks it as far as possible. Three years later, he hears a knock on his door, opens the door, and sees the same snail. The snail says, "Hey man, what did you do that for?!"

M

A man saw a lady with big breasts. He asked, "Excuse me, can I bite your breasts for \$1000?" She agrees, so they go to a secluded corner. She opens her blouse and the man puts his face in her breasts for 10 minutes."

Eventually the lady asks, "Aren't you gonna bite them?"

He replies, "No, it's too expensive."

Two guys are at a bar on the roof of a hotel. One guy says to the other guy, "I'll bet you a beer that I can jump off this building, let this wind take me all the way around this building, and I'll land back up here."

The other guy says, "You're on."

The first guy jumps and, sure enough, he goes around the building and lands back on the roof. "You owe me a beer," he says.

He goes on to perform the trick several more times, collecting free beers, until the second guy decides he's going to try it too. He stands on the edge, looking forward to a free beer from the first man, and jumps off, dying when he slams into the pavement below.

The bartender says to the first man, "You sure are an asshole when you're drunk, Superman."

A man and a woman started to have sex in the middle of a dark forest. After about 15 minutes of it, the man finally gets up and says, "Damn, I wish I had a torch!"

The woman says, "Me too, you've been eating grass for the past ten minutes!"

"Doc, I said I wanted you to look at my zits!"

her?"

"Yes," replies Jeff with a laugh.

"Well," says Paul, straightening up, "I finally plucked up the courage to ask her out, and she agreed."

"That's great!" says Jeff, "When are you going out?"

"I went to meet her this evening," continues Paul, "but I was worried I'd get

Well, partly in case you were getting anxious, but mostly because we wanted to spend a bit more time with her, frankly. And besides, in a (fruitless) bid to get in her good books, the Ed had said he'd like to stick her on the cover!

Scene from MAYFAIR

War - huh! What is it good for? Well, it makes a damn fine setting for dramas for a start, whether it's Napoleonic or Cold. But if it's a bit of silliness you're after, you're in luck as well!

WAR & PEACE

This was the Beeb's first biggie of 2016 – a 6+ hour stab at recreating Tolstoy's mammoth novel, and they pulled out all the stops with some magnificent locations, sumptuous costumes and an impressive cast list that saw big hitters like Stephen Rea, Brian Cox and Jim Broadbent rubbing shoulders with more eye-pleasing youngsters like Lilly James, Tuppence Middleton and James Norton. In the lead, meanwhile, the producers took the bold decision to cast American Paul Dano, who plays Pierre Bezukhov with all the sense of bewilderment and clumsy striving for a purpose he has in the book – perhaps a little too much so, because for all his good heartedness, he's a bit difficult to care that much about. On the other hand Lilly James shines as Natasha, and the set pieces – be they glittering balls or the thundering cannonballs of Borodino – are all beautifully executed. Jessie Buckley, meanwhile, steals the show as the meek Marya Bolkonskaya.

BRIDGE OF SPIES

If a film's been directed by Steven Spielberg and includes the Coen brothers among its writers, then it's got to be worth a squiz, hasn't it?! Based on a true incident from the height of the Cold War, the film stars (perhaps inevitably) Tom Hanks, who plays James B. Donovan, a lawyer hired to defend Mark Rylance's Rudolf Abel on spying charges. Everyone seems pretty convinced Abel's guilty, but Donovan's a conscientious sort, and although Abel's found guilty, he manages to get him off a likely looking death sentence.

Cue some time later, when an American airman is shot down over the USSR and Abel comes in handy as a bargaining chip for the pilot's safe return... and Donovan's once more in the breach, negotiating the trade between the two superpowers. Classy stuff all round, and Rylance bagged an Oscar for his turn, so definitely worth a watch!

THE COMPLETE BRIAN PERN

There's a good chance that, unless you keep an eagle-eye out for the bits of brilliance that, for all its reruns of *Top of The Pops*, mark BBC4 out as worth hanging on to, you might well have missed this nugget. Given the channel's soft spot for documentaries about rock music of a certain vintage, parodying them at the same time with this show is a nice touch, as *The Fast Show* alumnus Simon Day plays a Peter Gabriel-esque chump who credits himself with having invented prog rock, world music and pretty well everything else trailblazing on the music scene. There are great cameos from talents as diverse as Rick Wakeman, Alan Yentob and Roger Moore, and for any musos watching, the laughs come thick and fast. Brilliantly inventive stuff that improves with each series, this is easily worth 250 minutes of anyone's time.

oooooooo

MAYFAIR 59

Not one but two of Britain's sauciest blondes together on a bed in front of you – what a perfect way to while away an afternoon when you're feeling in need of a little inspiration! If anything's likely to tickle your blurb-writing muse it's the sight of a couple of busty babes going at it hammer and tongs not six feet away, although frankly there ain't really much you can say about it other than 'Wow!'

Want to know what grots hot and what grot's not hot? Then you've come to the right place - although we tend to steer well clear of the not-so-hot grot, to be honest...

The Adult Channel

DEVIOUS WIVES

CAST: Lucia Love, Victoria Summers, Hannah Shaw, Charlyse, Samantha Bentley.

Now if I were ever to find myself in the unlikely (but, on balance, enviable) position of finding myself married to one of the nation's most notable porno flappers – a Sam Bentley, say, or a Lucia Love – I'd probably suspect that mine was not, sadly, the only cock to feature in their lives. But hey – the concept here is that not one but all the shapely knob-jockeys in the credits are indeed married and that they're all more than happy to do the dirty on their old men.

Lucia Love is first up, snogging away with her beau, who spots the ring on her finger but doesn't let that put him off his stroke. Once the jazzy soundtrack fades out they really get down to business, Lucia riding him like a good 'un until she finishes him off with a hand-job.

Four more similar couplings follow, and they're all classy enough affairs (literally, they'd have us believe!) with Charlyse proving to be a particularly eye-pleasing grand finale, teasing our Pascal's load all over her wonderfully shapely derriere.

MICK BLUE'S BEST DAY EVER

CAST: Anikka Albrite, Kalina Ryu, Vicki Chase, Abella Danger, Aindra Fox, Ana Foxxx, Megan Rain.

Given that Mick Blue's been one of porn valley's go-to guys when they need a reliable swordsman to prong a filly or three on film, we suspect he's had quite a few pretty good days over the years. But if (and to be honest, I have my doubts) the two scenes that feature in this flick were shot on the same day, then that probably would represent his best day ever – as it would any other bloke's who found himself in such a sweet situation!

The first scene sees Mick, already mid-fuck with the delicious Anikka, being led through to the next room where Kalina and Vicky are lezzing away without a care in the world. Mick and Anikka join in and, well, the jammy git spends the next hour or so ramming her senseless while their new chums lend a hand/tongue at every opportunity. The camerawork's exemplary, but the second scene's even stronger – Mick prongs no few than five girls, with loads of backdoor action along the way. All in all, a very good day at the office indeed!

Wicked

TEASE ME POV 3

CAST: Lunas Star, Madelyn Monroe, Nina Elle, Olivia Austin, Sara Luvv.

It's always important to be able to see things from someone else's point of view, isn't it? What's more, it also happens to be extremely stimulating... assuming that other person is a porn stud who's desperately clinging onto a video camera while a selection of some of the tastier strumpets in the business do their very utmost to bring him off in double quick time!

After a little tease, curvy blonde Olivia starts rubbing our man's engorged prick against her stupendous rump, but instead of splashing off instantly like any normal bloke would have done, our hero has the stamina to hold off, earning himself an eye-pleasing blowie before he

finally buries his almost freakishly bulbous helmet into her juicy snatch. Doggy, mish and cowgirl all follow, before an oral pop rounds things off to everyone's evident satisfaction.

And that pretty well sets the template for all the other scenes that follow. Highlights include Vicky's meaty flange getting thoroughly impaled, and while the whole thing might be a little repetitive if watched from start to finish (always better than vice versa with this type of film, I find) the girls are pretty hot (Madelyn especially so!) and suitably wanton – although none of them seems to be wanton a backdoor drilling today, thank you. Still, as POV flicks go, this one's definitely right up there.

Once every blue moon we like to rummage around in our big room of props from the 70s and dig out the wicker chair for an airing. After all, more than anything else it epitomises the glamour mags of the era – so much so that a certain generation of readers almost get that special tingling feeling whenever they see a survivor of the Great Wicker Chair Cull of 1979. And for younger readers, hopefully these pictures of the luscious Marie perched on our one will give you a glimpse into the past and help establish the neural pathways that result in a semi every time you see a chair like this!

M

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I'm a curvy, confident woman and I've found a virtually foolproof way of pulling blokes - telling them that I'm an adult model! Now, I'm not saying that men are in any way superficial, but as soon as I mention my 'job', their eyes light up and they become much more tactile and suggestive. And my method has only failed once - and that was

was I to ruin his fantasy?

Back at my place I showed him where the drinks were and disappeared to my bedroom to put on something sexier. By the time I called him, I had changed into a sheer black bra, crotchless knickers, stockings, suspenders and stilettos. Ali nearly dropped his glass as he appeared round the doorframe and clocked me posing seductively on the bed, my boobs spilling out of the bra cups, and my fanny, all moist and puffed up with excitement, poking out of the split in my pants.

As horny as a dog on heat he wasted no time on foreplay, bending me over the bed so he could fuck me from behind as he watched us in the adjacent mirror. Ali was fit as fuck - well-defined chest and shoulders, and the red tip of his cock all shiny and lickable as he pumped it in his fist, getting nice and hard for me.

Standing behind me, he teased me with the tip of his penis, straying from my cunt to my arsehole, spreading my juices around and building the anticipation. I was trembling by the time he touched his tip up to my hole, and I don't think his cock could have got any harder than it was when he finally stopped teasing and plunged it in my cunt. I tightened around him as he fucked in and out for a few more strokes, and as he heightened my delight by tickling my arsehole with his fingertip, I found I was moaning like I hadn't been fucked in a year!

Leaning forward, he grabbed my tits, lightly kneading them as he gently sawed in and out of my soaking pussy. But I like my sex rough and this just wasn't

cutting it! I tried the subtle approach, coaxing him to fuck me harder but he wasn't getting it, so I reached under the bed and grabbed my nipple clamps. As Ali watched me attach the clips to my bullet-like nubs, each clamp causing me to shudder with pleasure as its teeth chomped down, so he began to fuck me

harder and faster until he was holding my hips and banging into me for all he was worth!

I bucked around as I squealed the place down, my cunt being pummeled by this handsome stranger, finally being pushed over the edge into an amazing orgasm by Ali jamming his thumb firmly into my arse.

As I was coming down from the ceiling, he predictably whispered in my ear that he wanted to "stick it in the other hole". I'd never really been into anal, but the moment took me and I answered by pushing my bum back against him and wiggling it slightly.

He pulled out of my sodden snatch and nestled his dick between my butt cheeks before wanking against my arsehole, spreading my juices everywhere, then slowly pushing inside, parting my cheeks wide with his hands. I gasped as his fat helmet suddenly popped inside me, opening me for the rest of his shaft. He slipped inside, inch by inch, his spunk-swollen balls ticking me, and when I reached back to give my clit a flick, the sensations were even more powerful than when he'd been fucking my cunt.

I started jigging my butt back against him and he began pumping slowly into my back passage, making my breath catch in my throat. As he pushed his big cock into my bum, Ali reached round and took over playing with my clit, squeezing and rolling it around between his fingers, sending me to dizzy heights! I had to bury my face in the bed as I came, muffling my cries for fear of complaints from the neighbours!

Ali didn't stop pounding me anally until I

HE PULLED OUT OF MY SNATCH AND NESTLED HIS DICK BETWEEN MY BUTT CHEEKS...

felt his body jerk and go stiff and a wave of spunk flooded my rectum. When he pulled out and slumped his torso against my back dramatically, I thought he was done, so I was surprised when he pulled me around so I was sat on the edge of the bed in front of him and kissed me sensually on the lips. I felt myself drift into it, but then the filthy bugger grabbed his still-hard cock and shoved it into my mouth!

I would have pulled away but I love being treated like a slut, so I sucked hard, enjoying the tangy taste of his come. I tongued his gonads and licked my way up his shaft, then ate the whole thing, gagging as it hit the back of my throat. That sparked something in Ali, because as soon as I started to gag he grabbed my head and started to skull-fuck me as I massaged his balls. I had no idea he was ready to climax again until he suddenly held my head still and his dick jerked in my mouth - followed by a torrent of jizz. Which I swallowed, of course!

We were both knackered after that so we crashed out, but he woke me early the next

because he was engaged. Truthfully! If you talk the talk, however, you've got to be able to walk the walk, too. Which is why my bedroom is like a playroom, with outfits, toys and accessories galore! To say I'm a tad kinky would be absolutely accurate! Take the last guy I pulled, Ali. We met in a bar and were flirting with each other before I dropped the whole model thing into the conversation. Now this guy decides that he's seen me in Mayfair and starts getting all excited about shagging a top-shelf girl. Who

morning with the biggest hard-on! I made use of it, naturally, but politely declined when he suggested that we hook up again. The world's a big place, after all, and I want to experience as many men as I possibly can!

My husband and I own a small shop in a seaside town. Despite being in my late thirties I like to think I've maintained my looks well and love to wear provocative clothing. I enjoy the lively banter we get from the blokes who stop in on their way home from the pubs at night, and even though I love my fella very much, I still like to have a bit of a fling now and then. My Frank is OK with this, or at any rate he turns a blind eye, and anyway, these days he's more interested in what came first in the 2.30 at Doncaster.

This year we took an early holiday in Spain, and when we returned home I was mad to display my tan. My breasts have become fuller over the years but they don't sag and most guys tell me they make me look sexier. I like them myself, as I've managed to get that glamour model look without having any surgery.

I got my hair bleached and straightened and along with my fresh tan I began to dress a lot more daringly to work. My new look worked and before long I was getting attention from more younger guys than before. I have this thing for young blokes, and continually being the centre of their attention made me feel more sexy and playful.

The result was that I had a few flings over the summer and was thoroughly enjoying myself and making lots of friends while serving behind the counter. The most memorable of my conquests was a 21-year-old biker named Thomas, a fairly regular customer who had always made my pussy dampen, even when he just looked at me. Tom wears his black hair slicked back with gel, and everything about this guy is hot from the way he slides his dark glasses back from his face to the almost constant bulge in his tight leather biker trousers.

We had been flirting around for a few weeks before he made his first real move on me. One night not long before I was due to lock up the shop he came roaring up to the shop on an enormous shiny black motorbike. I was seriously impressed, motorbikes have always done it for me, and the thought of sitting astride that beauty behind

"I TONGUED HIS GONADS AND LICKED MY WAY UP HIS SHAFT, THEN ATE THE WHOLE THING, GAGGING AS IT HIT THE BACK OF MY THROAT."

Tom had my pussy dripping within seconds! I watched in frustration as he was immediately surrounded by his mates and a group of young girls who couldn't seem to keep their hands off either Tom or his bike.

I had just about given up any chance of having a fling with Tom when I saw the extent of the competition, but the next minute he swaggered into the shop, brushing off the girls who swarmed around him like gnats, and made a beeline for me. Buying a packet of cigs and looking me over suggestively, he asked me if I fancied going for a ride on his new bike once I shut up shop.

Crossing my thighs to stop myself from creaming on the spot, I

assured him I was well-up for a romantic moonlight spin. The rest of the evening dragged, but at long last it was time to close up and I hurried out to join Tom, who was waiting for me astride his bike.

I was only wearing a tiny thong beneath my short cotton summer dress, so I could

TOM GASPED AS I TILTED MY HEAD BACK SO I COULD SWALLOW ANOTHER INCH OF HIS MEAT.

feel the soft leather upholstery caressing my arse-cheeks. For a moment I just sat there, enjoying the throbbing of the powerful engine which soon had me in a state of extra-heightened arousal. Then Tom swung the machine off the path and I held on to him tightly as he let the engine rip. Before long the town was way behind us. Tom took the cliff road and stopped the bike near the cliff edge so we could look down at the sea.

The smell of his leathers condensed with the faint scent of my juices created a heady aphrodisiac for me and I was shaking with sexual tension and desire as Tom helped me to dismount and we removed our helmets. It was a balmy night and our bodies felt hot as we became locked in an intimate embrace, desperately groping each other. We could hear the sounds of cars in the distance, and although we had the cliff top to ourselves we could not be sure for how long.

Tom's hands were all over my big tits, groping at my fleshy pillows, and he nearly tore the elastic on my bra in his hurry to get it off. He seemed nervous and anxious because we were in a fairly exposed position. Kissing

him hard on the lips, I grabbed his crotch and in a stern tone I told him to take it easy. I assured him we would have plenty of time to cover up as we could see any car lights a long way off.

Intending to give him such a good time that he'd come back for lots more, I took off

his jacket and threw it on the ground.

Undoing the front of his leather trousers I hauled them down to just above his

knees. Then, sinking

to my knees on his jacket, I began to suck on his substantial cock, taking him deep in my mouth until I could feel the tip of his lovely prick knocking against the back of my throat.

I don't think Tom had ever been given head by an experienced woman before because all his self-confidence and cockiness left him and he sounded like a grateful little boy. I intended to show him just how good it could be, and as he brushed back my hair to watch me I began to diddle his balls gently in one hand while squeezing the base of his cock with the other. Tom gasped as I tilted my head back so that I could swallow another inch or so of his meat without gagging. His hands gripped my hair tighter now as he became more and more excited. Soon he was thrusting his cock in and out of my mouth, fucking my face as hard as he could. I gasped and tried to go with him but in the end while it was fun I wanted a good deal more than this, so I jerked my face away from him.

His mouth fell open in protest, but I soothed his petulance by telling him that I had other ideas for his pleasure. Moving sexily to his bike I shimmied out of my thong and

dropped it on the grass. Naughtily I pulled my skimpy summer dress up, allowing him to see the pale flesh of my bare buttocks in the moonlight. Then, looking back at him provocatively, I invited him to take me from behind as I draped my body enticingly across his saddle.

Tom checked that his precious bike was securely balanced on its stand before running his hand across my juice-slicked cunt. I was hot and ready for him and his cock slid easily into my vag. Without any hesitation, he began sawing his rod in and out of my slit, and before long I felt my toes curl in my sandals as he rode me to a spine-tinglingly brilliant orgasm.

But fair play to Tom, he had a bit more stamina than I'd expected, and despite having climaxed myself he was still a way off. Pulling me away from the bike, he slid out of my quivering hole and, repositioning his jacket on the ground, he lay down on his back, his lovely pole poking straight up in the moonlight. Well, it was too good to resist, a so hitching my short dress right up, I stood over him and, holding my soaking pussy lips open with one hand, lowed myself down onto his hard prick.

I couldn't believe that this young stud would have the stamina to bring me off twice before he came himself, but as I ground down on his pole I soon realised that it was going to be me who came first, as he alternately tweaked my sensitive nipples and grappled with my arse cheeks while my clit rubbed deliciously against his crotch.

Once again I found myself flooding his pole with my copious juices as I came again, and by the time I'd recovered from this second orgasm I was putty in his hands.

Tom probably sensed this, because I suddenly became aware that he'd slipped his prick out of my sodden gash and was now gently teasing the tip round the opening to my bum. Well, I don't usually like to do anal on a first date, but this was something a bit out of the ordinary, so I looked down at him and smiled as his slippery dick suddenly slid its way into my back passage.

I gasped as he filled me and began fucking my bottom, but by now his resistance was exhausted and, after a couple of minutes he jerked his hips even harder and flooded my arse with his thick sperm.

I could barely stand as he helped me to my feet, but eventually we managed to get back on his bike and head home. We're now making a regular thing of it, and I can't get enough of my new young stud!

My boyfriend Josh and I were housesitting his parents' place last week when we found his dad's digital SLR camera. His folks were away for the week, and we had the place to ourselves, and with the discovery of the camera, which boasted Hi-Def video recording, we thought we'd make our own porn movie!

We decided to film it in his parents room, because they have the biggest bed in the house, and while Josh got the room sorted I rushed home to find some fancy lingerie and my vibrator. When I got back the room looked like a proper movie set, and he had added some scented candles and laid out silk scarves and a tube of lubricant.

I did my make-up carefully, using dark red lip gloss for the blow-job, and then dressed in the sexy scarlet panties and matching half-cup bra. We opted for black hold-up stockings, and I wore stiletto shoes for the first scene. We'd decided that I would do a tease to begin with. Being a bit of an extravert helped, and because Josh had a massive stiffy as he filmed it made me feel really sexy.

I stood in front of the camera and began by running my hands through my hair. Then gradually I moved them down over my tits, nipping my nipples and caressing my breasts. I put a finger into my mouth and sucked it tantalisingly before squeezing one tit out of its half-cup and rubbing the saliva into my hardening nipple. Josh was moaning encouragements as I did this and encouraged by his excitement I slid my hand further down my body and dug it into the top of my panties.

Just to make it a little more exciting for Josh I turned around and, wriggling my hips, I ran my hands over my arse-cheeks and spanked one buttock. With a cheeky look over my shoulder I moved towards the bed, sliding onto my back and spreading my legs wide. Then, I reached for the big vibrating dildo and sucked on it, looking right into the camera before sliding it from my mouth and licking the thick

plastic head.

Turning it on I ran it down my body, closing my eyes and moving my tongue seductively over my lips, while with one hand I moved the latex vibrating cock over the gusset of my panties. Caressing a breast with the other hand, I ran the vibe up and down the crotch of my panties, smiling as I felt them dampening and hoping it would show on the film.

My tease was certainly working on Josh, and he directed me to remove my panties so he could shoot my moist pussy. He struggled to point the camera at me, using his free hand to stroke his stiff cock until it was fully erect.

At this point I'd almost forgotten the camera, I was really getting off with the vibrator and I parted my pussy lips, beginning to rub them with the vibrating cock. My juices lubricated the mechanical device as I began to ease it in my pussy. I angled it so that the shaft slid over my throbbing clitoris, making the vibrations stimulate my pleasure button until my body quivered with pleasure and I began to come with a powerful judder.

Holding it in place so that Josh could get a close-up, my back arched as my pussy convulsed and my juices gushed as I orgasmed. Josh was breathing hard as he filmed, and once I'd come he propped the camera on the bedside cabinet, angling it to get the best shot before he began to lick out my pussy.

Having come, I wanted to show off my skill at oral sex too. So I asked Josh to lie on the bed so I could suck him. For this he held the camera to get the best shot he could. Licking his cock-head slowly, I curled my tongue around his helmet, savouring his salty pre-come. When we viewed the film later, the look of pleasure was apparent on my face and I actually felt very proud of my performance!

Josh held my head as I sucked him deep, my cheeks hollowing as I bobbed my head up and down increasingly fast on his king-sized

boner. It didn't take him long before he was moaning, and he pulled away from me in a hurry, unwilling to splash prematurely. Placing the camera on the table once more, he rolled me onto my tummy and drew my hips back towards him, talking dirty to me, warning that he was going to fuck both my holes and make me scream with pleasure.

I felt so excited that I reached back and pulled my arse-cheeks apart, begging him to fuck me doggy. Grasping my hips, Josh pushed his cock against my dripping pussy and began shafting me so hard that my tits and face were squashed into the pillow. Harder and harder he fucked me, until I was wailing as my second orgasm ripped through my quivering pussy.

I didn't know it, but Josh planned to get some anal into the film, so he manfully held off and pulled out. To my surprise he turned me onto my back, and, handing me the lube, told me to rub some into my anus. My pussy was still tingling from the tremendous sorting he had just giving me, so I happily did as he asked, fingering my arse with the lube until it was relaxed and ready to take him.

Still holding the cam, Josh asked me to hold my legs up and spread them wide for him. Positioning his cock against my ring, he slowly pushed inside my anal sphincter, and began to rock his hips. As I started to relax I felt the pleasure building up as Josh increased his rhythm and began to fuck me while filming every thrust. I loved giving a show and as I felt my climax approaching, Josh gave a loud grunt and dropped the camera, spurring his cream deep inside my arse.

We've watched a lot of porno films together, but our amateur effort is definitely our favourite!

Rachel Garley

The page
three girl you asked
to see

PHOTOGRAPHED BY BASIL CRAWFORD-SMITH

When it comes to enterprise, it's hard to fault 18-year-old Rachel Garley. Leaving her home in France at 16, she came to England alone to live in

the Northamptonshire village of Earthingborough. From there she soon carved herself a career as a top Page Three model in the *Sun*.

Her fine 36-24-36 figure ensured she was successful almost at once, and the inevitable move to London followed. There, she also found time to run a wine bar in Crawford Street, popular with pop music and TV stars.

Now her determination has led to working as a model full-time. She's just returned from 12 days in the Bahamas and is shortly off to Mexico on a shoot. She's also breaking into acting. She has a small part in *Hawks*, the latest film starring new Bond, Timothy Dalton, and has appeared in pop videos and foreign TV commercials.

Despite her success, Rachel's interests are still refreshingly down-to-earth. She helps out in her boyfriend's hotel in Victoria but hates the traditional Page Three night club scene. Instead, she'd rather stay at home knitting. 'Don't laugh, she says. I find it very relaxing. It's also very charitable. Her creations are given free to homeless children.

MAYFAIR Classic

Well a quick bit of research tells us that Rachel here ended up being the partner and muse of artist and famed Soho dandy Sebastian Horsley, who tragically died back in 2010 – leaving Rachel as the sole beneficiary of his not inconsiderable will. What with that and her small part in *Hawk* (anyone see that?), it seems Rachel's had an interesting time of it since she graced the pages of *Mayfair* 28 years ago!

Twins, eh? Who'd have 'em? All that being woken up in the night repeatedly as they're demanding to have something to suck on - there really would be no rest for the wicked! Still, if the twins happened to be anything like *Mayfair* debutantes Preeti and Priya who we've got lined up for next month, I think most of us would be happy to make an exception! Most definitely not an issue to be missed!
